

NorCal UFO Membership Form

NorCal UFO is dedicated to the driving enthusiast. Driving activities include AutoX, performance driving schools, track days and the occasional back roads tour. If you like to drive, this club is for you! NorCal UFO is focused on performance driving and related activities. The club strives to hold at least one event per month. There is a newsletter that comes out after the monthly event detailing the event and what's on the upcoming event calendar. The roots of UFO are in the Datsun 510 club, UFO stands for United 510 Owners. However, now the clubs' focus is changing from 510's to Performance Driving. Anyone with an interest in performance driving is welcome to join the club. Membership is \$15.00 per year; U.S. Funds only.

Write a \$15 Check payable to NorCal UFO
